## What do children do at club meetings?

Pioneer Clubs' curriculum offers a wide variety of skill-building activities that are an essential part of the club program. Club helps children experience achievement and deepen their sense of self-worth.

The skill-building activities, held in five week segments, include:

- Acting/Drama
- Family Helpers
- Carpentry and Woodworking
- Hiking Outdoors
- Team Sports

Attend one or all of the segments.

The award recognition system includes requirements for Bible and activity awards that are built into meeting plans. All club members gain skills and earn awards through regular participation in Pioneer Clubs. Club members work together to earn awards.

Each child is encouraged to do his or her best. The emphasis of the non-competitive award recognition system is on self-improvement, teamwork, and cooperation.

## Does it cost anything?

There is a non-refundable registration fee of \$20. Your child will receive a student handbook, and a t-shirt for the Pre-K classes, or a Bible book cover for 1<sup>st</sup>-6<sup>th</sup> grade classes.

## Why choose Pioneer Clubs?

- Our material is rooted in sound, biblical principles as well as an understanding that God's Word has authority over all aspects of life;
- The Bible is the core of everything we do;
- This is a safe place for children to come together and make lasting, Christ-centered relationships. All volunteers are fingerprinted and highly trained.
