

ST. LUKE'S

LUTHERAN CHURCH & SCHOOL

St. Luke's Connects - Member Network

St. Luke's Lutheran Church and School is pleased to announce the launch of our Online Network, St. Luke's Connects. This web-based product gives members of our church and school community remote access to their family's account information 24 hours a day – 7 days a week, via any internet connection. St. Luke's Connects offers many exciting features including:

- **Personal Profile** - View and update information about your family. The head of each household (default is the husband) controls access to information according to your personal preferences. If you want to make your phone number, address or email address available to other members, just change the setting in your profile (bottom left on the profile page). Note: No information other than your name can be seen by anyone else unless you give them access. Only members and school families will have access to your information if you choose to make it available.
- **Directory** – Connect with other church members and school families using the directory feature. Note that each individual will need to make information, other than their names, available for you to see it.
- **Online Giving** – Make contributions and donations to the church and school
- **Contribution History** – Review up to two years of historical information for your giving history.
- **Payments and Billing** – View your statements online and make payments via our secure electronic payment service provider.

Online changes are not “live.” Please allow up to 1 week for Directory, On Line Giving, and Payments and Billing changes to appear.

We need your help!

Your participation is essential to the success of our online network. Please go online, visit the church homepage (<http://stlukes-oviedo.org/>) and hold your mouse over the **Members** tab, the subheadings will appear. Click on **Member Resources** and then scroll down to find the **St. Luke's Connects - Online Member Network** section. Click on **Get Started** to view instructions on how to get connected.

We look forward to connecting with you via this network.

God's Blessings
