

Pioneer Club Classes April 4 - May 2, 2012

(1st & 2nd graders) The Voyagers will be learning about Playing Together and Family Life. Club members will learn how to be good sports and play together while playing some fun and active games together. They will think about way family members can show how much they love one another. They will learn how patience, humility, and gentleness help families get along better. Learn that feelings of envy can hurt them and their families and seek to find the good in others.

(3rd-4th grades) The Pathfinders will focus on Team Games and God's Family. The children will play cooperative games using balls and working together. Club members will understand what it means to join God's family through baptism. They will discover how Bible study helps them grow as Christian and learn how to study. Discover how the church is like a human body, with each part needed.

(5th & 6th graders) The Trailblazers are learning about Team Sports and Friendship. Children will choose a team sport and discuss the rules of the game. They will learn the importance of warming up and stretching. They will practice sports courtesy. Club members will understand how to apply Jesus' Golden Rule in friendships, apply Jesus' teaching on achieving greatness to contemporary situations involving friendships. They will evaluate how friends influence them and what to do about it. And through the example of Zacchaeus, learn how to reach out to people that are left out.
